Subject: Duane Marine Salvage, Corp., Perth Amboy, New Jersey

Dear Miss Thompson:

This letter will serve to confirm my meeting and discussion with you during the meeting of named respondents held at Federal Plaza on December 13, 1984. You will recall, I had mentioned our receipt of your Section 104(e) request for information and indicated our inability to respond within the time frame set up in your November 26, 1984 letter.

Because the transactions involved go back some considerable period of time, we have commenced a search of our records as well as requested assistance from the New Jersey DEP in an attempt to reply. Based upon progress thus far, we presently believe that we will be in a position to formulate a response to your request within the next three to four weeks. Since I understood that the EPA has also requested the same type of information from the New Jersey DEP, it is possible that you may receive this information before we do. In any event, be advised that we will keep you informed of progress and position in this regard as we proceed.

Should you have any questions, please feel free to contact either me at 201-757-1600, extension 2640 or Mr. Lester Schiefelbein, Jr., Company Counsel at extension 2635 at any time.

Very truly yours,

LOCKHEED ELECTRONICS COMPANY, INC.
